Alexandre Dumas : Twenty Years After before purchasing it in order to gage whether or not it would be worth my time, and all praised Twenty Years After:

6 of 6 people found the following review helpful. Buyer beware! This edition was abridged.By Daniel Fergus TamulonisThis review concerns the edition of the book and NOT the book itself.The hardback edition "Buccaneer Books" turned out to be severely abridged. No indication of this was given; it is a poor substitution for the real thing, which I only discovered after doing some additional research on the musketeer books and realized many of the key points and dialogue were missing from what I had read. A serious disappointment. By the time I discovered what I had missed, it was too late to return the book.A disappointment!1 of 1 people found the following review helpful. I love it I love it I love itBy elizabethThis should get a dozen stars. I love it I love it I love it... I read the three musketeers and the count of monte cristo when I was younger. Of course, they were fantastic. However, as a senior citizen, I fell in love with this book. The Musketeers are older, and they are still able to ride horses till the horses drop!!! (remembering, that this is fiction, no actual animals are damaged.) This is absolutely a must read for anyone over 45...because the men are still loyal, faithful, true and dashing. Its wonderful. Of course, Alexandre Dumas is an old "friend", and his style is absorbing. I found myself reading into the night and would have to put the book down when my eyelids would droop. However, the kindle is fantastic!! I could take the book with me. I was hesitant about e books at first, and now I am sold. The size of this book in paperback would have made it necessary to lug it along. But in this day and time, I just fold up my kindle and take it in my bag. With the lighted page, I can read anywhere, any time. I'm a believer.4 of 4 people found the following review helpful. Twenty Years after is a swashbuckling historical romance by the the great Alexandre Dumas pereBy C. M MillsTwenty Years After (1845) is the bestselling sequel to "The Three Musketeers" by Alexandre Dumas (1802-1870). Dumas is the king of romantic fiction and a true renaissance man; author, lover of many women, gourmand, world traveler and bon vivant.The story the seventeenth century musketeers is told in five huge novels:1. The Three Musketeers2. Twenty Years After3. The Vicomte de Bragelonne (he is the son of Athos)4. Louise de Valliere (she is the beloved of Bragelonne and the mistress of King Louis XIV)5. The Man in the Iron Mask The Major Players in Twenty Years After:Two decades have passed since we have seen the musketeers in action. What has happened?D'Artagnan-He is now a lieutenant in the muskettersAthos-He is retired and living on his estate-we learn his wife was the infamous Milady.Aramais-He has taken holy orders and is involved in political and ecclesiastical affairs.Porthos-The rich lawyer's widow he wed has died. He spend his time hunting, fishing, drinking copious amounts of wine and enjoying life as a gigantic hedonist.The Major threads of the complicated plot (the book is 788 small print pages in the Oxford Classics Edition)A civil war is raging in France between the Fronde and the royal rulership of Louis XIV (a child in this book); his mother Anne of Austria widow of

Louis XIII and the wily Cardinal Mazarin (an Italian who has taken over for the deceased Cardinal Richelieu). The four musketeer friends are divided in their loyalties with D'Artagnan and Porthos supporting Mazarin while Aramis and Athos support the Fronde. This changes as D'Artagnan and Porthos come to oppose Mazarin. All the musketeers travel to England in a futile attempt to save Charles I from the scaffold. They are enemies of the Lord Protector Oliver Cromwell. The arch enemy is the evil Mordaunt son of Milady. He kills his uncle de Winter and Dumas portrays him as the executioner of Charles I! (this is fiction not reality!-Dumas twists historical facts to meet the needs of his tale of derring do). I did not find a dull page anywhere within the covers of this massive tome! The edition contains valuable notes and a listing of historical personages mentioned in the text! Dumas is a joy to read! Viva Musketeers!!! One for all and all for one!

Alexandre Dumas (1802-1870) is one of the most famous French writers in history, known for his historical novels of swashbuckling adventure. Dumas's work, including *The Three Musketeers* and *Twenty Years After*, are still widely read in classrooms throughout the world and remain entertaining upon rereading. Dumas's works were serialized, as he was a magazine correspondent and journalist. Also among Dumas's best adventures is *The Count of Monte Cristo*, which is now a staple of Western classrooms and has been made into many movies.

'All good fun.' Sunday Telegraph
About the Author Thomas-Alexandre Davy de la Pailleterie, (July 24, 1802 ndash; December 5, 1870) was a French writer, best known for his numerous historical novels of high adventure which have made him one of the most widely read French authors in the world. Many of his novels, including *The Count of Monte Cristo*, *The Three Musketeers*, and *The Man in the Iron Mask* were serialized, and he also wrote plays and magazine articles and was a prolific correspondent.
